**Ten words that describe your business:**

Local, interstate and international moving including packing, crating and storage.

**What was your first job?** Working for a local building company.

**What is your greatest business motivation?** To make each client relocation as stress free as possible.

**What was your best business decision?** Building relationships

**What is the strangest request you have ever had?** A customer wanted a ride to California on our moving truck.

**How has your business evolved?** Started in 1979 as a local moving company and became an agent for Arpin Van Lines in 1994 for interstate and international relocations.

**What is one unique aspect about your business that people may not know?**

Customization – whether it's a few pieces, an entire home or business full or partial pack or unpack we work with your budget.

**Who has been your role model or inspiration?** My father

**What is the best place you have lived or traveled?** Skiing in Little Cottonwood Canyon, Utah

**When not working, I am ....** Coaching and spending time with my family.
