* STRAND THEATRE *

The downtown Pontiac's historic 501c3 Flagstar Strand Theatre's educational and performing arts programming has been on intermission. In 2022, we will be safely re-engaging our Strand Theatre Art (STArt) Youth Theatre. It is the producing entity for STArt education programming. Our first step back on the stage will be to support working parents during the school mid-winter break and allow area youth to create and learn about the performing arts. Interested students will come from the Pontiac school system, as well as area schools in Oakland County. The outcome - students will be performing an entirely produced musical during the week of April 23, 2022. It will be Lion King, Jr. Or something just as fun and uplifting.

The entire cost of the Winter Performance Camp 2022 project is \$5,000.
All levels of sponsorship are available.

What theatre does for youth is as follows:

- Builds literacy
- Enhances cognitive, motor, and social development
 - Fosters increased intelligence
 - Engages the imagination
 - Increases empathy for others
